Agricultural Society planning major fair

After slow start the Minden Agricultural Society has started to move, towards a great Fair for Haliburton County Centennial Year.

They say New Brooms sweep clean and this year with the Executive of R. Parisotto Pres., S. Nesbitt first V. P. and M. Jackson second V. P. Mrs. Earl Bird Secretary-Treasurer, and Mr. Gilbert Past President, the Fair should really be swinging.

The Directors, W. Crofts, W. Dugan, W. Duncan, Mr. Gilbert, B. Hewitt, K. Hughes, M. Jackson, S. Nesbitt, R. Parisotto, L. Prentice F. Wright, J. Hatkoski, Mrs. Roy Hughes, Mrs. H. Hernohan, Mrs. Ila Lytle, Mrs. W. Moore, Mrs. L. Nesbitt, Miss L. Pitts, Mrs. W. Roodenburg, Mrs. Alex Taylor and associate directors, which include the Reeves of all the Townships in this county, congratulate the new executive and will really work to make this a Fair to be proud of in this our County Centennial Year.

Already they are contacting big names for entertainment and believe you me, the wheels have really started to turn. Let us hope that the whole County will take part in making this Fair of Aug. 23, 24 and 25 the success that is being planned for it.

Did you know this is the only Fair in our County, so come on folks, make it a great one and watch for further comments as we go along.

The Minden Figure Skating Carnival held at the Minden Recreation Centre on Saturday night was a smashing success. Some of the credit must go to this group of young girls who are members of the Minden Figure Skating Club. They played a big part in this year's Carnival under the theme "Sleeping Beauty.

For Crippled Children

Campaign short of goal

The Easter Seal campaign for 1974 is in full swing reports the Haliburton Rotary Club, sponsors of the local campaign to raise $7,800 for the Ontario Society for Crippled Children.

Jim Csanig, chairman and treasurer of the Haliburton Rotary Clubs Easter Seal campaign reports that the local campaign for funds is lagging behind and up to this time only $630.00 has come in. The campaign only has a little over a week to run and if our objective of $1,700.00 is to be met as you can see a lot of money still must come in.

You have received your appeal letter and Easter seals so won't you please send in your contribution right away.

If the local Rotary Club is to carry on their good work with crippled children they must have your donation. We are counting on you. You have never let us down before. Back a fighter with Easter Seals.

Stage set for carnival

The stage has been set for the Annual Haliburton Figure Skating Carnival to be held at the Haliburton Arena this coming Saturday evening April 6 starting at 8.00 p.m. The carnival theme this year will be "Cinderella" and it promises to be an excellent Ice Revue.

As an added attraction guest skaters from the Bobcaygeon Figure Skating Club will be on hand to skate in the Carnival. Its a night that you won't want to miss.

Admission prices for the evening will be Adults $1.50, students 75c and children five and under free.

Pancake festival planned

The Lake Kashagawigamog Tourist Operators are holding a Pancake Festival on Saturday, April 13 from 11:00 a.m. till 2:30 p.m.

The location will be in the parking lot between the Bank of Montreal and Steinberg's Market on the Main St. of Haliburton where fresh creamery butter and Haliburton Highlands Maple Syrup will be dispensed along with hot, steaming flapjacks.

A bus will be on hand to take people to the sugarbush where they can see first-hand the syrup being made. These tours will be free of charge.

It will be a great day to bring the family and enjoy this unique Canadian custom of a "sugaring-off" festival.

Due to the recent cool weather, it is expected that the sap wil be running at its best on this particular weekend.

Wins in horse drawing contest

Murray Cowen of Haliburton had his horses entered in the horse drawing match at the North Bay Winter Carnival held recently in North Bay.

On this trip Murray took along two team of horses his heavy horses and light horses. They both had to be entered in the heavy horse class.

We want to congratulate Murray on the fine showing on his horses at this event as his heavy horses took first prize and the light horses took third prize.

Accident causes $4,000 damage

Damage in the amount of $400.00 was sustained in a collision between a vehicle driven by Leonary Henry of Eagle Lake, and a car owned by Curry Motors Leasing. The vehicle owned by Curry Motors Leasing was parked unattended in the parking Lot at Sir Sam's, when the Henry vehicle backed into the front end. Constable B. J. Connelly investigated.

Two hundred dollars damage was incurred when a vehicle driven by Ann M. Meharrie of Harcourt attempted to park behind a vehicle owned by Charles R. Main and slid into the Main vehicle which was parked unattended in a private driveway in Harcourt. This mishap was investigated by Constable W. A. R. Buchanan.

Siskins tie series

Stayner Siskins evened their series with the Haliburton Huskies with an 8-2 victory in Stayner on Monday night. It evened the series at two games apiece.

News Letter

Let us hope that spring has finally arrived and that the Municipal employees won't have to clear away the snow from the streets until next winter. Last week they once again cleared the streets in the village of snow.

*****

From the comments we have been hearing lately the local citizens seem to be really excited about the new park we are to have in the village fronting on Head Lake.

*****

At the regular meeting of the Rotary Club of Haliburton held at the United Church in Haliburton the following new Board of Directors were elected. Peter Curry, Art Ward, Dave Gray, Don Lloyd and Larry Parrott.

*****

We just received a letter from our friend Curry (Pork) Whittaker who is the trainer with the Polar Twins hockey club at North Carolina. In the letter he told us that the first season with the club has been one of disappointments, happiness and most of all quite a success. After Christmas the club started to play well and they advanced into the Southern Hockey League playoffs. They averaged 2500 to 3000 at each game. He went on to say that in the playoffs they almost pulled a feat accomplished only once in hockey history, winning a series after dropping the first three games. In closing Pork reminded us that at every opportunity he tries to get a plug in for the Haliburton Hockey Haven.

*****

A public meeting is scheduled for the Canadian Legion Hall in Haliburton this Friday evening April 5 at 7:00 p.m. to review the final ammendments (31) to the Dysart Official Plan.

*****

Pre Natal Classes at the District Health Unit Office at Haliburton commenced on Wednesday April 3. They will be continuing for eight weeks. Fathers are encouraged to attend.

*****

The Ontario Society for Crippled Children's 1974 Easter Seal objective is $1,800,000. This figure is based on a careful analysis of the Society's minimum needs in order to meet its obligation to more than 13,000 handicapped youngsters throughout Ontario.

Some of the local fight fans were in Toronto last week to view the heavy weight fight between Norton and Foreman on the giant screen at Maple Leaf Gardens.

*****

The Dysart Recreation and Community Centres Board are still looking for a manager-caretaker for the Haliburton Arena. Applications for this position will close on April 15 at 5 p.m. Please note ad in this issue re details.

Patients in the Red Cross Hospital in Haliburton this week are as follows. Mr. George Stephenson and Mrs. Ida Perrin both of Haliburton, Mrs. Euphemia Brown, Collingwood, Lynda Rosenberg and baby girl, R. R. #2, Minden, Mr. Hilliard Stoughton, Gooderham, Mrs. Roseline Morrison, Eagle Lake, Mr. Walter Harrison, Carnarvon.

Hunting success down in Algonquin region

Hunting success and pressure appear to have declined in the Algonquin Park District in 1973 deer hunting season, despite generally fair to good weather conditions and snow in many areas.

Hunting is permitted in three areas of the district; the northern tier of Head, Clare and Maria Townships between the northern boudary of the park and the Ottawa River; the south-central section of Airy, Murchison, Lyell, Sabine and Dickens Townships (which include the villages of Whitney and Madawaska); and a third area, Clyde and Bruton Townships within Algonquin Park.

Only in the latter area could hunting success be called good.

The following statistics have been calculated from hunter success reports completed by organized hunt camps.

Northern Section

Number of hunters	130
Number of man-days	525
Deer shot	4
Hunter succes	3.1%
Hunter effort	131.3 mandays
Hunter effort	131.3 man-days per deer

South-Central Section

Number of hunters	60
Number of man-days	282
Deer shot	2
Hunter success	3.3%
Hunter effort	141 man-days per deer

Clyde and Bruton Townships [Algonquin Park]

Number and hunters	179
Number of man-days	858
Deer shot	32
Hunter success	17.9%
Hunter effort	26.8 man-days per deer

Overall hunting success was 10.3 percent and, on the average, 43.8 man-days of effort were required per deer.

Comments from Hunt Camp Reports indicated that deer were scarce in most areas, but that small pockets were found in some.

Moose signs were reported to be plentiful.

Former Haliburton girl writing in Richmond Hill

Carolyn Trenton, the former Carolyn Brennan daughter of Mrs. Ethel Brennan and the late George Brennan of Haliburton who now resides with her husband Philip and family in Richmond Hill has turned out to be quite a journalist.

Mrs. Trenton is writing for the Richmond Hill Banner and last month the Banner announced the commencement of a special Richmond Hill community activities page. They went on to say that it will be prepared each week by Carolyn Trenton of 224 Jacey Ann Drive.

In looking over one of the March editions of the Banner we were delighted to see the many fine articles that she had written.

We join with all of Carolyn's friends here in Haliburton wishing her the best of luck with her writing for the Richmond Hill Banner.

Centennial Corner

COUNTY MAJORITY VOTES

The electoral count of ratepayers for the Provisional County of Haliburton in November, 1972, was 26,975, with individual municipality count being:

Anson, Hindon and Minden	3,770
Bicroft, Improvement District	570
Cardiff	2,006
Dysart et al	8,266
Glamorgan	2,101
Lutterworth	2,105
Monmouth	1,456
Sherborne, McClintock & Livingstone	2,277
Snowdon	1,233
Stanhope	3,191

A township with more than 1,000 municipal electors is entitled to a deputy reeve, and the Reeves and Deputy Reeves comprise County Council.

Motions in County Council are passed by a majority count of members, but on controversial issues a recorded vote may be requested, which gives a decision by majority of actual votes allowed in accordance with the representative electoral count. Each Reeve and Deputy Reeve has a vote, but when the electoral count of a municipality is over 2,000 the Reeve has one additional vote, and when the count is over 3,000 the Deputy Reeve of that municipality also has one additional vote.

For ten weeks commencing within the next Centennial Corner each municipality is submitting a contribution of historical comments, and these will appear in the order in which they are received from the municipalities.

Fans jam arena for Huskies match

The close to 1000 hockey fans who jammed their way into the Haliburton Arena on Saturday night to see the Haliburton Travelways Huskies meet Stayner in the third game of the best four out of seven O.H.A. Junior "D" semi-finals play-off game couldn't help but be pleased with the thrilling 60 minutes of hockey they had the pleasure to see.

It was one of those kinds of games that come along once a year. It kept the fans on the edge of their seats all the way as the Huskies eked out a close 5-4 decision to take a two to one lead in games in the series.

It had to go down as one of the best games of the year and it was so close throughout the game that the outcome wasn't decided until the final bell sounded.

The large crowd also viewed some heroic net-minding at both ends of the rink as Louis O'Hara in goal for Haliburton and Corby between the pipes for Stayner both came up time after time with sensational saves. They were both well tested during the thrilling sixty minutes.

The rough and ready Haliburton club remind you of the Philadelphia Flyers of the N.H.L. They play about the same style of hockey and usually are playing a man short. On Saturday night the Huskies had eleven penalties and Stayner had seven. The local team had a lot of luck killing off the penalties.

The game was just a little over one minute old when Tim Curry put the Huskies on the scoreboard and four minutes later Rick Wood added another and at this point it looked as if the locals were going to drive Stayner right out into the Community Park. But the visitors started to settle down and their hard working efforts finally paid off at the 12-minute mark when Falls scored and it was a 2-1 hockey game. Three minutes later the Huskies came right back and Rick Wood put the locals in what looked like a commanding 3-1 lead when he scored his second of three goals. With less than three minutes left in the first period the Huskies two-goal lead went down the drain when Stayner came back with two fast goals within 11 seconds. The first period ended in a 3-3 tie.

Rodger Bain got the only goal of the second period and the Huskies went to the dressing room after the second period with a 4-3 lead.

Going into the third period even with the Huskies holding a slim one goal margin you couldn't help but have the feeling that it was going to be anyone's game. Stayner made things a little more binding after eight minutes of the final period when Walker scored to tie it up at 4-4. From here it looked as though the team that was lucky enough to get the next goal would win the game and that is just what happened. At the thirteen-minute mark it was Rick Wood with his third goal of the evening that gave the Huskies the one they needed. From here on in it was a case of holding on and inspite of pressure put on by Stayner in the final minute when they drew their goalie for an extra forward they couldn't beat Louis O'Hara who had the door shut for the evening.

SHOTS FROM THE BLUE LINE

The game could have gone into overtime had it not been for the terrific save pulled off by Haliburton netminder Louis O'Hara in the closing minutes of the game.

*****

The crowd stayed in their seats during the two intermissions in hopes of seeing a streaker but they were disappointed as not one appeared.

The Stayner hockey club have a large following of fans and they made themselves heard as they filled up one section of the arena.

If a sixth game is needed it will be played in Stayner on Friday night and if a seventh and deciding game is necessary it will be at the Haliburton on Sunday night.

Teams enjoy tournament

On March 30 and 31 a goodwill tournament was held between teams from Agincourt and Haliburton. The games were closely contested and well played.

The boys from Toronto stayed with counterparts from our teams. They enjoyed the time they spent together. A special thank you to the parents who took these boys for the weekend and drove to Wilberforce on Sunday.

Excellent refereeing was provided by Brian Black, John Rouble and Claude Parish.

On Sunday the games were held at Wilberforce. After each game presentations of trophies and miniatures hockey sticks were made to the visiting teams. Wilberforce Minor Hockey provided a lunch for players after each game.

A special thanks to Grant Rae and Keith Tallman for their assistance in organizing this tournament and to Grant Rae for making the hockey sticks that were given to the players.

Haliburton Skating Club announces badge winners

The Haliburton Figure Skating Club opened the 1973-74 season last Nov. 1. with a general skating day, in order for all figure skaters to get their skating legs under them. Classes were set up in badge groups, and instruction began on Tuesday Nov. 6, 1973 under the able direction of our pro, Allison Ednie, on all badges from and through 12. Joyce Woods very capably put the tiniest tots, our pre-schoolers, through their paces.

We were able to hold four full test days for junior badges during the '73-74 season. If one any of those test days, any child was absent, their name was noted, and during the next week or as soon as possible after the test day, the child was tested. In this way, no child missed being tested four times during the year and progress by most junior skaters has been excellent.

A great deal of credit must go to our pro, Miss Ednie. During the skating year, she was able to give individual attention, during a lesson, to any child who was having difficulty with any particular part of a badge. This was in evidence to any parents who attened the rink everytime there was junior figure skating time. Also, thanks must go to the senior girls of our club who helped and coached the groups when Miss Ednie was teaching lessons. Without their efforts, the junior skaters would not have done as well as they have this season.

During the past skating season, six of our junior members became seniors, They are: Wilfred Vanlieshout, Nancy Shipley, Carol Lee, James Lee, Carrie Rinne, and Anthony Vanlieshout.

The following is a list of all junior skaters who passed successfully one or more badges during the past skating season and the badge or badges they passed. Corinne Anderson - 1, 2, and 3. Nancy Bagg - 1, 2, 3, 4, 5, 6, and 7. Debbie Barry - 1. Jamie Bennett - 7, and 8. Susie Blake - 1, 2, and 3. Boyd Brooks - 1, 2, 3, 4, and 5.

Janet Brooks - 6, 7, 8, 9, and 10. Stephen Brooks - 1, 2, 3, 4, 5, and 6. Kim Burke - 9, and 10. Scott Burke - 1. Martha Ann Carnochan - 1, 2, 3, 4, 5, 6, and 7. Eoin Cooper - 1, and 2. Conal Creelman - 1. Melissa Creelman - 1, & 2. Renee Curry - 1, and 2. Eoin Finn - 1, 2, and 3. Erin Finn - 7. Suzanne Fujar - 4, 5, and 6. Juanita Harrison - 2, and 3. Michelle Harrison - 3, 4, and 5.Peggy Johnston - 1, 2, 3, 4, and 5. Lori Jones - 1, 2, and 3. Nicole Kanters - 1. Anita Kuno - 3, 4, and 5. Paul Kuno - 2, 3, 4, and 5. Stephanie Kuno - 4, 5, 6, 7, 8, and 9. Chantal LaRue - 6, 7, and 8. Carol Lee - 11 and 12. Now a Senior. Jim Lee - 10, 11, and 12. Now a Senior. Joe Lee - 10 and 11. Nicole Lerpiniere - 1 and 2. Jeanette Martin - 1, 2, and 3. Kim McDonald - 1, 2, 3, 4, and 5. Tami McFarlane - 1, 2, and 3. Cory McKnight - 3, and 4. Jodie McKnight - 2. Lisa Miller - 1, 2, and 3. Susan Milne - 1, 2, and 3. Stephanie Paul - 1, and 2. Shawna Pearson - 1. Susan Peel - 1, 2, and 3. Stephanie Poole - 1, 2, 3, 4, and 5. Carrie Rinne - 10, 11, and 12. Now a Senior. Tasha Robb - 1. Laurie Robichaud - 1, 2, and 3. Eoin Ross - 1, 2, and 3. Shona Ross - 6, 7, and 8. Kim Rouble - 6, and 7. Kathy Shipley - 6, 7, 8, and 9. Nancy Shipley - 10, 11, and 12. Now a Senior. Karen Sisson - 1, 2, and 3. Robin Sisson - 1. Ruth Stouffer - 1. Catherine Tyler - 8, 9, and 10. Anthony Vanlieshout - 11, and 12. Now a Senior. Wilfred Vanlieshout - 11, and 12. Now a Senior. Lianne Whitfield - 6, 7, and 8. Sean Whitfield - 2. Nancy Wood - 8, 9, and 10.

With test days all completed for this season, the skating club is presently putting together the routines for the annual Carnival to be held at the Haliburton Arena on Saturday night, April 6. at 8:00 p.m. We hope to see all relatives and friends of our Figure Skaters, and everyone else, out to enjoy an entertaining evening and watch our club's final skating performance for this skating season.

Everyone have a great Spring, Summer, and Fall, and we'll see you all again next November when figure skating starts again. There will be notices in the paper to let everyone know when registration days are to be held and when skating will commence in the Fall. Again, our warmest thanks to Miss Ednie for putting our junior members through a most successful figure skating season.

TIM BAIN
Still midget age and will be one of the outstanding Jr. players in future years.

BLAKE LAPORTE
Still midget age. Is proving to be one of the better Junior defencemen.

BILL LEARY
Playing in his last year of Junior Hockey. Fast skating forward. Contributed 32 points during regular schedule.

JEFF CAMPBELL
One of the rugged left wingers of the Huskies. Missed most of regular schedule due to employment.

Minden wins novice cup

On Saturday March 23 Minden Novice B team defeated Wilberforce Novice 5-1 to win the Monmouth Cup.

Colin Newell scored twice for Minden and singles went to Mike Heath, Harold Cowen and Dwain Warbuton.

Glen Clarke scored the only Wilberforce goal.

Despite the one-sided score the two teams were very evenly matched and provided an excellent game for the spectators.

This was the last series played between the Minden and Wilberforce Novice B teams. In the six games played Minden won three, Wilberforce won two and one game was a no score tie.

It is to be hoped that this competitive spirit will continue in the novice division next season as players, coaches and spectators all enjoy a good game between evenly matched teams.

Senior softball league plans meeting

The Senior Inter-County Softball league will hold its annual pre-season meeting on Thursday, April 11 at 8 p.m. in the Minden Municipal building. All coaches, managers and players are urged to attend.

In the past six or eight players have shown up to these meetings and from these few an executive for the league was elected. This is not the way to run a successful league, expecially at the senior level. There should be thirty or more representatives from the league in attendance.

In the past, a few have chosen the league executive and then during the season players who where not at the meeting are heard gripping at the way the league is run. Here is their chance to do something about this annual problem, turn up at the meeting on April 11.

There are a lot of new and interesting ideas being tossed around this year so this meeting should prove one of the best in years. Some that I have heard are, ain inter-league draft - after nine players have been protected on each team the balance are up for the draft; a possible new team; and umpires assigned at the time the schedule is made up - this I feel is one of the best ideas to come along in years.

Speaking of umpires, there are four in Minden at present and we'd like four more. If anyone is interested in giving some of their time to umpiring this season, please contact the writer at 286-1318 or come to the above meeting.

So, once again, let's have a good turnout at this meeting and bring up any ideas that you feel could improve the senior league. Also give some thought between now and the meeting, as to who you would like to see running your league this year.

Are you listening

The Dysart Recreation and Community Centres Board in their next budget should seriously consider purchasing a new public address system for the Haliburton Arena. In our opinion the present P.A. system is inadequate and has been since the opening of the new arena.

In most sections of the arena it is impossible for the fans sitting in the stands to hear what is being said by the P.A. announcer. A large number of fans who attended the hockey game at the arena on Saturday night told us after the game that they couldn't hear one word that was said all night over this present system.

This arena at Haliburton is a credit to the community and surrounding area with its many facilities but one visit to a public event here and you will have to admit that the public address system is lousy.

Well what's the answer? Some will say that the accoustics are bad and its hard for any P.A. system that you could install here to function properly. This may be the case but we would like to see a system installed with four speakers dropping down below the wooden beams with speakers facing both sides and both ends of the arena. This could be the answer. If anyone can come up with the answer to this problem we would certainly be glad to hear about it.

We are a hockey town

The village of Haliburton can really be proud of the many great hockey clubs that we have had up throughout the years. Always known as a great hockey town Haliburton can hold their own with an other village of its size in Ontario. In winning championships up through the years other villages in the County have sent great players here to play.

One of the main reasons we have had and are still having success in the hockey world can be credited to the great work being done by the players right from the lower age groups up through their system and into the teams of championship calibre.

The Haliburton Travelways Huskies who are now in the thick of the Junior D Playoffs and are hoping to go all the way are sporting many of the players who have come up through the ranks of the local minor hockey league. Let us not forget that a great deal of the credit should go to the men who have spent hours of their time in coaching and managing positions so that the boys in Haliburton and surrounding area would have the opportunity of playing in organized hockey. To them we owe much of the credit for the great teams we have been blessed with. the credit for the great teams we have been blessed with.

Letters to the editor

Dangerous half—truth

Producers generally want to promote the sales of their product. The liquor industry along with the others desires to promote the sale of its wares. This desire has led to what many consider to be a dangerous half-truth. The liquor industry continually presents a picture of attractive, well-dressed young people enjoying a moment of relaxation along with the use of its product. We'll grant that there is an element of truth here - in that this is the manner in which many of the youth of our day do enjoy a moment of relaxation.

But this is not the whole truth. The use of alcoholic beverages is associated with other situations. It is associated with drunkeness highway accidents, death, broken homes, impoverishment etc. This one side of the picture that is rarely if ever brought to the attention of the general public. I undersatnd that in the province of British Columbia all liquor advertising has been banned. In this province youth and the public generally are allowed to make an open, unbiased decision about the use of this product. Would this not be a safer position for our province to take? I for one would be much happier to live in a province where my children were not constantly and persistently, and right in their own living room, dinned with this dangerous half-truth. Liquor advertising should be banned in Ontario so that our children could make an open, unbiased responsible decision apart from this daily, and sometimes hourly barrage of a dangerous half-truth.

We're open

To the editor:

In reply to your editorial on page four of last week's Echo-RE: No restaurants opened in the evening.

Our restaurant at Haliburton Lake (The Bayview Birches Restaurant) has been opened every evening of the year and very few people come out.

We of course realize we are 15 miles from town, but if you are looking for somewhere to eat we are here and would be very glad to serve you.

We carry a large variety in food at reasonable prices and are opened 365 days a year.

Phone ahead if you wish and when you arrive everything will be ready, so while the snow is still on the ground come on out and try us.

Pic of the Past

Our thanks this week to Mrs. Myrtle Campbell of 9 Rosemarie Drive, Scarborough, Ontario for letting us use this photo which was taken at the Minden Public School in 1912. Mrs. Campbell's uncle A. Stanley MacGregor the teacher pictured in the back row was born in November 1890 so he would have been 22 years of age at this time. He was from Thedford, Ontario. (west of London). He has been dead for a number of years, having died from the effects of injuries received when he crossed a street on a green light and was struck by a truck in Kitchener, Ontario. The faces are so clear in this photo we think that some of the senior citizens will be able to identify them.

BILL SMILEY

ABOUT MY WIFE, KIDS AND GERMANY

This is going to be a shot-gun column, instead of the usual coherent, unified, lucid examination of a single topic.

I'm going to aim in all directions at once and pull both triggers. Reason is I've got to get ready to go to Germany on Sunday and have a lot to do. Like shine my shoes, and change $12 into rubles or whatever they use, and get my wife to iron some shirts, and, uh, get her to pack my bag, and, uh, well, a lot of important things.

First of all, I've rediscovered a maxim that was already ancient when Moses looked out over the promised land: women are not only unpredictable, but unreasonable.

My wife had known for about a month that I might be going to Germany on the winter break. She thought it was great for me. "It'll be a nice change for you. And it'll do you good to get away from me for a few days. You must get sick of me."

I lied politely, as usual. Told her I didn't need a change, that I could scarcely bear the thought of being separated, and that the very idea of being sick of her was nauseating.

Then I came home one day and told her it was all set, but that she couldn't go. "When? ", she queried, knowing it would be several months off, and that there might be an earthquake or a flood or something in the meantime.

"Oh, I guess Sunday night", I responded casually, serene in the knowledge that she was in favour of the trip. She burst into tears.

My next topic also deals with the family, and with an aqueous event. Aside from a rainstorm, have you ever been soaked from a great height? I have. Last Sunday.

I was thoroughly enjoying playing with my grandson. He's old enough now to be played with, without fear that he'll break. I had him under the armpits and was hoisting him in the air, making those ridiculous sounds that would make grandfather blush crimson if they ever heard them on tape.

A look of pure glee passed across the kid's face, and I thought, "By golly, he knows me, and he's enjoying his grandad." Next second, I was soaked from shoulder to knee. It was warm, and at first I thought I'd burst a painless blood vessel. But it was the wrong colour.

It's not unpleasant at first. Rather like taking a warm, salt bath with your clothes on. It's when it begins to cool . . .

There's not much more to be developed there, so I'll turn to topic three: exams, which we have just gone through a session of.

Nothing is more depressing than starting to mark a set of exam papers, and finding that the first five you mark are failures. You are filled with self-doubt. "Have I not taught them anything? I'm a failure as a teacher. I should go back to the shoe factory. If everybody fails, I'll be fired, because in this system, if you're teaching failures, you're a failure as a teacher, regardless of any other factors."

Then you pick up a paper and the student has understood what you've taught, and applied it, and used some brains of its own, and it's a ninety percenter. Hallelujah! And you're hooked for another year.

There is only one thing worse than marking exam papers. That is supervising the writing of them. The quaint old word for this function is "invigilating." It sounds kind of dirty, but it isn't. Just utterly boring.

You are figuartively locked in a room for two hours with about 35 teenagers. That alone is a fate worse than death, for some people. Personally, I'd rather be locked in with 35 students than with 35 balloons.

Then begins two hours of hell. The kids are supposed to be tense, nervous, straining every brain cell to do well. They're about as tense as a hibernating bear. Susie takes off her shoes, assumes a yoga position, and looks out the window. Jack's crutch, a relic of skiing and a broken leg, falls on the floor, and you jump a foot, while the victims snicker.

You resort, after the first hour, to such things as counting greasy hair versus washed hair, bras versus braless, big clumsy boots versus sneakers.

You look up at the picture on the wall of the Queen, on whom somebody has drawn a moustache. You fill in, with your imagination, sideburns, and realize the Queen would have been pretty dashing in 1580.

You look out the window at the dirty snow-banks and dream of a beach or a trout stream. You whip around, aware you were drifting, to see if anyone is cheating. Nobody is. Except Joe, who has given up after half an hour of tongue and pen working together, and is sound asleep, head on arms. An early fly buzzes.

Warned you this would be a shotgun column. But I think I've covered everything on the home front.

Next despatch will be from Germany. I promise it will be loaded with fraulein, gemutlichheit, blutwurst, putsches and other Teutonic goodies.

Let's see now, if I remember my Deutsch. "Was maken sie hier? "Wie vil hur ist es? Nich rauchen bevor der zug halte. Ich bin ein krieggefangenner. Wo bist die scheisshaus? " Reckon I'll get along.

Along The Trails

HALIBURTON COUNTY SNOWMOBILE ASSOCIATION

Compiled by Roy Bates

When we started this column last fall we promised all of the local snowmobiling news. It would hardly be fair, then, to pass up this next item. Though I would like to. Your HCSA President, after preaching safety and caution all season long, has gone and got himself in a bit of a bind. A leg in a cast that is. Failed to take his own advice!

After my recent visit to Quebec I had been hoping winter would last long enough to get the groomer out and shape up a section of trail as nearly as possible to the condition of the two-way trails I had seen there. Last Wednesday gave me the chance. A fresh fall of snow, a frosty morning, and the Alpine standing ready. I took a couple of hours off from work and set out early to do the job. Breaking the first rule - I went alone.

I picked for my purpose the "Holiday Inn Trail" which runs along the Minden - Dysart boundary South from Kashagawigamog. The unplowed back road shaped up nicely. With several passes in both directions I had tnree or four miles of near-perfect two-lane trail. Then headed for home (Donald) via the Bolton Road and Evan Shaw's fields.

I almost made it. In a short section of narrow trail, which comes out at the old Donald School, I was carefully threading the groomer between the trees and breaking the second rule, riding with one knee on the seat in order to watch the drag, when - you guessed it - I got the Alpine too close to a tree and snapped an ankle. There's not much "give" to green maple.

Now, I want to tell you that no matter how brave your are, or think you are, there is a moment of panic when you find yourself disabled and alone. It must have taken me five minutes or more of trying to un-couple the drag before I realized that I was forgetting to lift the locking lever. When I finally got myself pulled together I was able to get the drag off the trail so no one would run into it and get the snowmobile started and ride it home.

Incidentally, a phone call or two from anyone who gets to ride on that trail would help to ease the pain.

* * * *

It is now almost a certainty that new snowmobile legislation will incorporate the Select Committee's recommendation that snowmobiles be banned from roads after July 1 this year. The only thing wrong with this move is that it comes several years too late.

There must begin now a concerted effort on the part of all snowmobilers to locate and open many miles of off-road trails. And it is no longer viable to choose the easiest route - the shortest way to the nearest lake - for statistics show that lake travel is only slightly less dangerous than the roads.

MacNab—Lanter wedding

Holy Spirit Church, Agincourt, was the setting for a very pretty wedding on Saturday, March 9th, 1974, when Monica Elizabeth, daughter, of Mr. and Mrs. A. Don MacNab, Red Umbrella Inn, Minden, became the bride of Mr. J. Brian Lanter, son of Mr. and Mrs. Earle Acton Lanter of Agincourt. Rev. Gerald Dunn officiated.

The bride, given in marriage by her father, wore a white nylon floor-length gown with train and a finger-tip tulle illusion veil. She carried a cascade bouquet of white orchids, white roses, stephanotis and baby's breath. Miss Skip MacNab, sister of the bride, was Maid of Honour and wore a floor length gown of pink-embroidered white nylon over pink lining. She-carried a nosegay bouquet of mixed flowers with pink carnations and roses predominating and wore a matching cluster in her hair. The bridesmaids were Elizabeth Gall and Marg Gyemi of Windsor, in yellow-embroidered white nylon over yellow lining, and Nancy Mitchell of Brooklin and Heather Hanndon, of Sudbury, in blue embroidered white nylon over blue lining. Their nosegay bouquets were multi-coloured with matching hair clusters.

Mr. John Morris, friend of the groom, was best man and the ushers included another friend of the groom Mr. Ed Cotton, the groom's two brothers, Mr. David and Bruce Lanter, and the bride's brother, Mr. Doug Macnabe.

A reception followed at the "Studio", Guild Inn, Scarboro. The bride's mother was in a gown of pink satin with multicoloured skirt and the groom's mother wore a heavenlyblue nylon gown. Both wore hair clusters. of matching colours.

The bride's going-away suit was navy blue fortrel with matching accessories, a coral sweater and coat of honey-cream linen. Her corsage was an orchid. The couple will live in Scarboboough.

RENTAL GM LEASING

VERY LITTLE DOWN WHEN YOU LEASE A NEW CAR FROM US

That's because your deposit on a new lease car can be substantially less than what you'd put down to buy a new car. What's more, you'll never fret over what your lease car is worth at trade-in time because your car will never get too old.

Each monthly leasing payment also covers such costs of enjoying a new car as financing, depreciation, taxes.

There are other solid reasons for leasing a new Chevrolet from us. So, come on in. Let's discuss the lease plan . . . and that new Chevrolet . . . that fit your needs.
And your pocketbook.

Hydro Employees win award for safety

The 900 men and women in Ontario Hydro's Georgian Bay Region, which includes Minden Area have won their General Mangers Award for the greatest improvement in accident prevention performance in the Corporation's seven Regions across the Province. During 1973 they had only two lost time accidents in more than a million and a half man hours of work giving the Region an accident frequency rate of one - the national average for electrical utilities is six. This the lowest frequency rate ever achieved by Georgian Bay in its 27-year history.

One hundred and seventy five members of the staff who were selected by lot from work centres across the 15,000 square mile Region were on hand for the presentation and dinner at the Continental Inn in Barrie on Friday, March 29th.

Dan Thompson, line crew foreman, Barrie and Don Wilson, area forestry foreman, Fenelon Falls accepted the award on behalf of the staff from D. J. Gordon, former General Manager, who is now President of the new Ontario Hydro Corporation.

The staff in both Mr. Thompson's and Mr. Wilson's Areas are working on their second consecutive million man hours without a lost time accident so both men were appropriate choices to accept the award.

Georgian Bay Region also won the GM's Award when it was first presented in 1966 and again in 1967.

Georgian Bay Region extends from Lindsay on the east, north to Britt - including much of Haliburton, all of Muskoka and about half of the District of Parry Sound. It runs south to Bradford west through Orangeville, Erin, Arthur and Wingham to Lake Huron and includes all of Grey, Bruce and Simcoe counties. It serves the second largest number of customers of Hydro's seven regions.

Meeting of Minden Women's Institute

The members of Minden Women's Institute met at the Parish Hall the afternoon of March 20. The President Mrs. Sears opened the meeting welcoming all. Twenty one members answered the roll call describing their wedding dresses and it was notable that the majority favoured blue.

The minutes and correspondence were read and dealt with, Mrs. D. Prentice, who was unable to attend the meeting due to illness, sent in a fine report and all the ladies signed a card wishing her well again.

Mrs. N. Ruppi gave the annual Curators Report and Mrs. W. Moore the P. R. O. Report. Due to the fact that the District Director and Alternate were both away, Mrs. H. Welch was appointed to represent this Branch at the District Executive Meeting and Mrs. L. Cox was to act as alternate.

The Secretary reported that a Bus had been reserved for our Spring Bus Tour on May 29th to Erland Lee Home in Stoney Creek and also Niagara Falls and the fare would be $9.00 each for the trip. It was decided that Mrs. A. S. Kernohan should be the Lady to contact for tickets so any interested ladies please keep her in mind as already she has some reservation.

The members decided to have a beautiful Poem written by Mrs. W. Noice made into Booklet Form and sold as their project for the Haliburton County Centennial Year. Mrs. A. Pogue presented a beautiful poem entitled "The Country Doctor". It was decided to apply for a Short Course later in the year and first choice was "News and Ideas for Kitchens" and second, "Bedroom and Bath."

The winner of the lovely quilt donated by Mrs. B. J. Walker was won by Mrs. Floyd Miller.

The April meeting will be held at the Orange Hall April 17th at 2 p.m. and the members cordially invite interested ladies to attend. At the close of the meeting the Committee served a delicious lunch and a social time was spent over the teacups.

Real Estate Seminar

"Sell More In '74". This is the theme of the forthcoming Real Estate Seminar, sponsored by Region #7 of the Ontario Real Estate Association, to be held Wednesday, April 3rd in the Port Hope New Legion Hall. It is expected that over 300 Real Estate Brokers and Salesmen will attend from Quinte & District, Cobourg-Port Hope, Lindsay-Haliburton, Peterborough and the Oshawa & District Real Estate Boards.

The speakers for this sales oriented seminar are well known in the Real Estate industry:- Frank Paul, Pres. of Frank Pauls Real Estate Ltd., Past-President of the Hamilton Real Estate Board, and a member of the Real Estate speakers bureau; George Walker, S.I.R., President of the Ontario Real Estate Association; Rev. Terry Tarlaton, L. The., Rector of St. Peter's Church, Cobourg.

This one-day seminar plays an important role in the training of Real Estate salesman and boosting public relations in the industry; and a delegation of local members will attend led by the Lindsay-Haliburton Real Estate Board President, Jack Huston.

HAZEL M. SKENE

On Thursday evening, March 14, 1974, there passed away at the Haliburton Red Cross Hospital, Hazel Mary Skene, of Haliburton. She was in her 66th year.

Mrs. Skene was the beloved wife of Ross Skene, of Haliburton, and dear Mother of Lorraine (Mrs. Jack Robinson) of Niagara Falls, and Jack, of West Hill, Ontario. She is also survived by her mother, Mrs. Elmer MacNamara, of Toronto, four sisters, one brother and six grandchildren.

Hazel, as she was known by, was loved by young and old, and will always be remembered for her humour, cheerfulness and great concern for her friends.

The funeral service was held from St. Anthony's Roman Catholic Church, Haliburton. The Mass was celebrated by Father H. J. Maloney, the Parish Priest. Temporary interment was made at Evergreen Cemetery Vault, Haliburton. Paulbearers were Gordon Pearsell, Lloyd Coneybeare, Stan Fisher, and Jack Robinson.

The following poem was composed by Hazel and conveys to us her wonderful outlook on life:

A smile is something you can't give away,
Just smile at some one to prove what I say,
You will find that every word is true,
'cause they'll give a smile right back to you!
It's difficult to wear a frown.
A frown is a smile turned upside down.
A smile is nicer everyone knows
And it's always there under your nose.
And love will fill life's golden cup
If you keep the corners of your mouth "turned up".

JOHN MILROY JACK THOMSON

Jack Thomson of 3 Craigleigh Crescent, Bramalea, Ontario, passed away at Peel Memorial Hospital in Brampton, Ontario after a lenthy illness from Cancer on March 8th, 1974.

Jack was born February 24, 1930, in Markham Village, the son of Mrs. Violet Thomson and the late James Bruce Thomson who was the Village blacksmith at the time.

Jack was a life long sports fan and played hockey for the Markham Eagles team back in the 1950's.

A close friend, Paul Henderson, of the Toronto Maple Leafs attended the funeral.

Jack worked for A. P. Parts of Canada Limited, Rexdale, Ontario. He worked for them 20 years this month. Jack was Territory Manager at the time of his death.

He is survived by his wife Mary (former Mary Maughan of Essonville, Ontario) their children Cathy, Chris, Glen, Donald, and Kimberly, his mother Mrs. Violet Thomson, sisters Betty (Mrs. A. E. Brock) Roma (Mrs. J. Regan) and brothers Robert, Lyle, Kenneth and Ronald.

He rested at the Dixon Funeral Home, 166 Main Street, Markham. Funeral Service was held on March 11, 1974, in St. Andrews Presbyterian Church, also in Markham. Interment was at St. Andrews Cemetary.

The Pallbearers were six salesmen of the Company with Mr. Don Bethune, President of the Company as Honorary Pallbearer.

The many messages of sympathy, floral tributes, and donations to the Cancer Society bore a tribute of the love for Jack.

ELLA JANE CRAREY

We are sorry to report the death of a Haliburton resident, Ella Jane Crarey, beloved wife of the late Walter Crarey which occurred at Cannington on Sunday, March 31, 1974. She was in her 79th year.

The late Mrs. Crarey rested at the Funeral Chapel of John Welch and Son, Minden, from Monday until Tuesday, April 2, thence to the United Church in Haliburton where the funeral service was held at 1:30 p.m. temporary interment was made at the Evergreen Cemetery Vault, Haliburton.

The sympathy of the community is extended to her family.

DORA MAY WELCH

A life long resident of Minden passed away at the Minden Red Cross Hospital on Monday March 11 after a brief illness.

She was born in Anson Township, May 9, 1896, the oldest daughter of John and Elizabeth Snell and spent most of her girlhood in that area.

She was united in marriage to Walter Welch on Oct. 20, 1920 and her whole life from then on was spent in Minden.

She lived a very quiet life and had many friends. Her life centred around her home and family and her doors were always open to young people, friends and relatives. Over the years many boarders were happy to board with her.

She was a devoted member of St. Paul's Anglican Church and the W.A She is survived by three children, Illa Lytle, Reginald Welch and Patricia Campbell; six grandchildren Mary and John Welch, Jeff, Anne, Jerry and Jody Campbell, daughter-in-law, Muriel Welch and son-inlaw, Don Campbell. She also leaves two sisters, Mrs. Gordon Myles (Gertie) of Peterborough and Mrs. Howard Westran (Sally) of Niagara Falls.

On March 13, a very simple funeral service, conducted by Father Andrew Hutchison, assisted by Mr. Lloyd Johnson, was held in St. Paul's Church, which was filled with friends and relatives who came to pay their last respects. Committal Service was held at the Church, entombment followed in Ingoldsby Vault. She will be laid to rest in Minden Cemetery beside her husband Walter who predeceased her in 1954.

Pallbearers were five nephews, Jack Snell, Oswald Snell, Jack Jackson, Max Jackson and Claude Brown and a good friend and neighbour, Len Lonsberry.

BED MAGNETS

An old folk remedy

that really seems to work

Although the mysterious forces of magnetism have a little-understood influence on human health many people suffering from arthritis and other assorted aches and pains have experienced relief of pain, when sleeping with a bed magnet between the sheets. Medical research reports describing the use of magnets on humans have been published by Stanford Medical Centre and in The British Medical Magazine Lancet.

This flat, 3 inch bed magnet is available by mail only from **HARRISON PRODUCTS, 2 RANLEIGH AVENUE, TORONTO M4N 1W9.** Send $3,95 plus Ontario Sales Tax of 28c and a postage and handling charge of 50c, a total of $4.73 by cheque or money order today. If you prefer the bed magnet will be sent C.O.D. plus post office charges. Allow 3 weeks for delivery.

TODAY'S CHILD

THE TORONTO SUN SYNDICATE

BY HELEN ALLEN

Robby's expression tells you that he is a friendly boy. He is also lively and inquisitive and has a good sense of humor. This good-looking lad with blonde hair, blue eyes and fair skin will soon be 9. His glasses are to correct a turned-in eye. He is in good health, having outgrown a tendency to bronchitis.

Robby is above average in intelligence but has minimal brain damage. This does not affect his learning capacity but does affect his behaviour, making him hyperactive and impulsive. Therefore, Robby needs parents who will appreciate his many excellent qualities and will realize that when he is very active, he is not trying to misbehave.

In Grade 3, Robby is working at an accelerated rate though he is in a special class because he needs extra attention. He likes to read all kinds of books and is interested in crafts such as candlemaking and paper mache work. He also enjoys building things. This lad responds well to praise and has great enthusiasm but gets frustrated easily.

Robby loves the outdoors. He likes camping and riding his bike and is keen on active games, both to play and to watch. He is fond of animals.

Parents with energy and patience, plus ability to combine firmness with warmth, are being sought for Robby.

To inquire about adopting Robby, please write to Today's Child, Ministry of Community and Social Services, Box 888, Station K, Toronto M4P 2H2.

SOCCER HIS FAVORITE

Gems of Truth

Since all forms of life are derived from God, it is not too difficult to allow that Eternal Life is also received from Him. In creation, the Life in God was expressed by an independent, self-sufficient spring, in giving life to vegetable, animal, human and angelic beings. He along is the source of all life.

Likewise, Eternal Life is embodied and expressed in the only begotten Son of God, the Lord Jesus Christ. No other has it to give to mankind. but the Son alone. God has made it possible that "whosoever will" not just a select few, can receive Eternal Life from Him as a free gift. John 3:16; 5:24.

It becomes a present possession to the one who puts their full and complete trust in Jesus as their Saviour. It also is as endless as Eternity itself. John 10:28-30. Eternal Life is the threefold assurance from the Eternal God the source, the Eternal Son the giver, and the Eternal Spirit the indweller, as to its endlessness, its character and its endurance.

The Word of God is good enough for any believer and Jesus says "they shall never perish because I give unto them Eternal Life". This promise is made to the sheep of His fold. How thrilling to be known by Jesus as one of His sheep simply because as a sinner one has put their trust in no other name than Jesus our sinbearer.

The Christian life is not a religion, neither is it living a religious life and strict observance of a code of ethics. Rather it is the life of Christ living in His own. Jesus Himself, in the Person and Presence of the Holy Spirit lives His own resurrection life in and through all believers in Him. 1 John 5:19-12.

SCRIPTURE MEDITATION: He that hath the Son hat Life and he that hath not the Son of God hath not Life. These things have I written unto you that believe on the name of the Son of God that ye may know that we have Eternal Life, and that ye may believe on the name of the Son of God. 1 John 5:12-13.

FOOD FOR THOUGHT: If you don't know where you are going, then any road will get you there.

"Call of the Wild" Coming here soon

Another great motion picture is coming to the Beaver Theatre in Minden and the Molou Theatre in Haliburton. The picture is Jack London's classic adventure "Call of the Wild". Charlton Heston leads an outstanding cast in this film of adventure and excitement for the whole family. You will thrill to the fascinating story of "BUCK" a courageous dog who met nature's toughest challenge.

This film which is in color will thrill everyone and you can see it at regular prices at both theatres.

It will be playing at the Molou Theatre in Haliburton on Friday and Saturday, April 5 and 6 and it will be at the Beaver at Minden on Sunday only April 7th with two shows in the evening at 7:15 and 9:15 p.m. and a Sunday matinee at 2 p.m.

Be sure to catch this outstanding film at one of these two theatres.
